

Additional Funding Opportunity for Fall 2019 FDA Retail Courses

An additional funding opportunity is available for State, local, tribal, and territorial jurisdictions in need of funding for six recently scheduled 2019 FDA Retail courses. Interested applicants should download and complete a single registration form (<https://oratest.fda.gov/stc/ORA/OTEDRetailFoodRegistrationForm.xlsx>) for requests to attend these courses and email it to FDA (ORA-OTED-Retail@fda.hhs.gov) by **September 6**. Once registration is complete, eligible jurisdictions may then apply for up to \$3,000* in travel assistance through AFDO by **September 11, 2019**.

* \$3,000 does not apply to AK, HI and Territories if justification for additional costs is provided.

Accepting Applications August 21 – September 11, 2019

Go to www.afdo.org/retailstandards

Note: The AFDO portal will also be open September 4 – October 15, 2019 for the regular, annual opening of the AFDO-Managed Retail Program Standards Grant Program, offering funds for Calendar Year 2020 projects. Jurisdictions who apply for a Fall 2019 Training subaward will still be eligible to submit up to four (4) applications during the regular application period, including a Category 3 Training application, to request funding for CY 2020 projects.

FDA Courses Eligible Under Special Fall Opportunity:
